

Berk İÇLİ

Computer Engineering Student

berkicli@hotmail.com / +905303332472 / [linkedin.com/in/berk-icli](https://www.linkedin.com/in/berk-icli)

Experience

Manisa Celal Bayar University Project Coordination Implementation & Research Center • Yunusemre, Manisa

Project Staff (30/09/2022– 12/02/2024)

- Website Developing, Video Editing, Project Writing and Coordination (TÜBİTAK, Erasmus+, US Embassy, British Embassy project calls), Crisis Management, Making a Presentation

Uysal Yazılım

• Afyonkarahisar

Intern (04/08/2025 – 29/08/2025)

- Website Developing with PHP

Education

Manisa Celal Bayar University

• Yunusemre, Manisa

Computer Engineering 09/2021–02/2027

- TÜBİTAK 2209–A – University Students Research Projects Support Program – Analysis of Cyber Security Vulnerabilities with Industrial Engineering Techniques (2024/1. Period)

Kamil Miras Anatolian High School

• Afyonkarahisar

09/2016–06/2020

Language & Skills

- English (B2), PHP (Advanced), Python Programming (Intermediate), .NET Web Programming (Intermediate), Microsoft Excel (Intermediate), Canva (Advanced), Adobe Premiere Pro (Advanced), Adobe After Effects (Beginner).
- Good Communication And Team Working Skills, Project Management, Time Management, Crisis Management, Presentation Skills, Leadership Skills, Team Player, Being Collaborative And Customer Oriented.

Projects

Dokuz Eylül University IEEE Entrepreneurship Society Akbank Case Marathon

4A1K Team Member, 1St Place Project: AkbankGO

- Concept Development, Presentation.

TEKNOFEST Turkish Natural Language Processing Competition Turkish Cognitive Behavioral Therapy Bot: TerapAI (13–14 August 2025)

SYNTÜRK Team Member, Web Developer huggingface.co/synturk/TerapAI_v1.0, teknofest.org

- Machine Learning, Back-end and Front-end Developing of app.

Erasmus+ KA152-YOU call – Cultural Touches in the Colorful Journey of Digital Art: Kaleidoscope Project (18-25 November 2024, 11-18 May 2025)

Project Guide kaleidoscope.mcbu.edu.tr

- In Kaleidoscope project, he was responsible for communicating with Online Phase Lecturers. In Türkiye Phase, he was a member of general coordination.
- He also developed project's website. He created a basic social media platform with PHP where users upload their NFT artworks about the project.

TÜBİTAK 4004 – A Journey of Curiosity from Nature to the Depths of the Universe: CurioSpace Project (7-13 October 2024)

Project Coordination Member curiospace.mcbu.edu.tr

- In CurioSpace project, as a member of coordination, he was responsible for writing the project, communicate with stakeholders and work follow-up. He was responsible for the developing project's website. He also gave a lecture about a simulation game called "Universe Sandbox".

TÜBİTAK 2209-A – University Students Research Projects Support Program

Analysis of Cyber Security Vulnerabilities with Industrial Engineering Techniques (2024/1. Period)

- Data collection, analysis, penetration tests

TEKNOFEST Turkish Natural Language Processing Competition – Syntactic Grammar Analysis Practice: SENTAGRAM (8-9 August 2024)

SYNTÜRK Team Member, Web Developer huggingface.co/synturk/sentagram, teknofest.org

- Machine Learning, Back-end and Front-end Developing of app.

US Embassy – STREAM It Up! – 2 Project (19/06/2022 – 30/06/2023)

Young Support Team member stream.mcbu.edu.tr

- In STREAM It Up! – 2 Project, as a member of Young Support Team, he was responsible for being a guide for participants and to assist in general coordination.

TÜBİTAK Mathematics Year Special Call – Solving Daily Life Problems with Artificial Intelligence Supported Fuzzy Logic Theory: Fuzzy Logic Project (10 – 14 April 2023)

Project Coordination Member

- In Fuzzy Logic project, he was responsible for writing and coordinating of the project. He also developed project's website.

Certificates

PAGİT – DOGE Game Jam - sertifika.stemegitimciler.org/

PAGİT – FutureTech - ID: 2024-T08-I554

T3 Foundation Certificate of Participation - ID: 2024-T10-Y995

Manisa Science Fair-2 - sertifika.stemegitimciler.org/

STREAM It Up! – 2 - ID: 20230451083

Memberships

MCBU Project R&D and Inovation Society (PAGİT) (01/2023 – 06/2025) pagit.mcbu.edu.tr

Member of Board of Directors (01/2023 – 06/2025)

Head of Computer Engineering Department (01/2023 – 06/2024)

Website Coordinator of the society (01/2023 – 06/2025)
